Luke Roberts

Finn Sawtelle

Riley Nix

Unable to compete-Covid

Thank you Cheer Squad! You have been a beautiful example of ambassadors for our school. Thank you for your sacrifice of time and energy supporting our programs.

Goodbye to our Seniors! Good luck on your next adventure. Thank you for all your support and work within our programs. We are going to miss you!

Thank you to the parents and grandparents who volunteered many hours serving within our programs. We appreciate the team parents, gate workers, announcers, music providers, game workers, food preppers, taxi drivers and gym cleaners. The list goes on! Our programs can't exist without your support. We appreciate you!

Thank you to the coaching staff who put in hours of preparation to their practices and games but most important the sacrifice of time spent coaching and mentoring our kids. Our programs exist not just for the love of competing but all those extras that go along with developing the mind, body and spirit. Teaching our kids respect, discipline, adversity, disappointment, winning well and losing well. Some of the lessons can create tension within relationships so it's tough navigating those opportunities. Thank you for being such an important part of their lives. Thank you for partnering with the families to help develop areas that we as parents might struggle with because we don't have that opportunity. Thank you for pushing our kids to be and do their best!

Thank you God for Heritage School. We are truly blessed to have the opportunity to school and work together while openly learning and talking about our Creator. Though we never expected our year to conclude in this fashion, we can rest assured God has us covered. We have been blessed in so many ways and I am personally so thankful.

Hupomone!
